Purpose

The goal of this policy is to permit the dissemination of information of interest to our membership as a whole. Due to limited space, preference will be given to information related to nutrition, health, cooperative, and environmental concerns in keeping with the SNFC mission statement.

Policy

SNFC does not permit the display or distribution of literature that denigrates or vilifies any group or individual or advocates violence against, or promotes hatred of, any group or individual on the basis of race, ethnic origin, religious belief, age, sex, or sexual orientation.

The bulletin boards and publications display area may not be used by individuals or groups for the posting or display of material supporting political parties or candidates. (See also the Endorsement Policy.)

The General Manager regulates the display of literature and posting of items on the bulletin boards. Items will be accepted as space permits. Approval must be obtained prior to posting or displaying any item. Items placed without approval will be removed.

The fact that information has been posted or displayed does not imply that SNFC endorses the organizations, individuals, or events concerned.
